DISCIPLES MAKER SURVEY UPDATE

Are you interested in hearing more about the Disciple Makers Survey?

We are very proud of our parish!

Our community's top 3 strengths are that we "recommend our pastor, recommend our parish", and see our community as "welcoming".

Over 90% of the respondents agree or strongly agree with each of these strengths.

Something to think about: we see ourselves as welcoming; however, when we look at the demographics we reported last week, is there more we need to do to welcome different persons to our table?

OUR MISSION

*To listen, teach, support, and challenge
as we become persons
of transformative faith and love.*

All Are Welcome!!

495 Skannersville Rd.

Amherst, NY 14228
