

And the Word was made Flesh and dwells among us!

Gaudete Sunday, 2023

Dear Newman Community,

"Thank You" for all of the ways you have welcomed me during these past 5 months.

While I was aware of some aspects of Newman Campus Ministry, like many others, I could not begin to imagine the depth of the community embrace of the Gospel and Vatican Council II. The manner with which you embody the teachings and ministry of Christ alive in our midst is inspiring and edifying. Ministry to and with Students of UB, meeting the homeless and downtrodden, respecting the dignity of each person and a sense of JOY, are all beautiful components of the Newman Community.

Many will head to other locations for Christmas and many will come in to WNY and join us at The Newman Center. May God protect us all in our coming and going as we accompany one another on this pilgrimage of life.

Sincerely in Christ,

Fr. Paul D. Seil
